► **What Makes Us Different** ◀

Our traffic is highly targeted based on the keywords, description, and site you give us. The targeted visitors we deliver will be interested and browse/click on your website contents. We offer various types of visitors and have an advanced control panel. You may also specify for geo county specific visitors to be offered to you. Our visitors originate from a very large network of different unique sites we operate.

► **How Much Does It Cost** ◀

- Prices start at \$0.002 per visitor for higher tier view visitors.
- For lower tier bulk visitors prices start at \$0.0002 per visitor.
- We have no minimum purchase amount, so you are free to test us out before making a big purchase.

► **Types of Visitors Offered:** ◀

- View Visitors - General view of your site, somewhat targeted
- Unique Visitors - Interested in your site's content, may have potential to click content, targeted.
- Focused Visitors - Very interested in your site's content, very targeted, best for site revenue increase.
- Search Engine Visitors - Increase your site's search engine rank for specific keyword, also increases your visitors & site revenue.
- User Action Visitors - Need guaranteed signups for your website? Or some other action for your visitor to do?
- Bulk Hits Visitors - Great for increasing site ranking and increase traffic flow to website.

► **Variety of Features for Your Campaign/Visitors:** ◀

- Controllable Via Control Panel - Stop and start your visitor campaigns at will for any URL.
- GEO Country Specific Available - Select from different countries around the world to receive your visitors from.
- Internal Random URL Service - Have Your ordered visitors delivered to unlimited amount of random URLs with a campaign.
- Visitors Per Hour / Day - Specify the amount of visitors you want to receive for the day or every hour.
- Randomize Traffic - Make your traffic / visitors come more naturally and vary throughout the day or every hour.
- Multiple URL Campaign - add as many URLs as you need to a single campaign, visitors will be distributed between them.
- Advanced Cloaking System Available - Cloak to make your traffic untraceable through our Advanced 4 Stage Cloak System.
- Delay Campaign Start Time - Delay the time that you want your site to start receiving visitors.
- Mass Campaign Management - Have more than just a few campaigns with us? Our system allows you to manage mass amounts of campaigns with one simple click!
- Campaign Depletion Notice - Get notified through email when your Campaign is about to run out of visitors.
- Automatic Campaign Funding - Don't ever let your campaign run out of visitors, fund a custom amount of visitors automatically from your balance.

► **More and More:** ◀

- 24/7 Customer Service - Receive priority support through our control panel, we will NOT close the request until your problem is resolved.
- In House Developers - Our System is Constantly Monitored And Improved. Request a feature and we'll see to it being added ASAP.
- Loyal Customer Promo - Get Awarded For Being a Loyal Client. We offer promotions throughout the year ONLY to loyal customers.

► **We Value Our Clients** ◀

With all these features and more to come, we'll make sure that you'll stay as a satisfied customer. We do our best to accommodate our customers and move forward. We look forward to working with many DigialPoint Forum Members.
